Santa Cruz, California 95060

SUBJECT: UNDERGROUND UTILITY DISTRICT 17
DAVENPORT UNDERGROUND UTILITY DISTRICT

Members of the Board:

On December 10, 1996, your Board adopted a resolution declaring certain property in Davenport an underground utility district. The community now desires that certain additional property be included in Underground Utility District 17 in Davenport. In conjunction with these changes, Public Works is working closely with Pacific Gas and Electric on finalizing the necessary easements and new street light locations. Pacific Gas and Electric has confirmed that this utility undergrounding work is scheduled for spring 2001. The proposed amended boundary is shown on the attached map.

It is therefore recommended that the Board of Supervisors take the following action:

1. Adopt Resolution of Intention to amend the boundary of Underground Utility District 17, Davenport Underground Utility District, as shown on the attached map.
2. Set a public hearing at 9:00 a.m. or thereafter on September 12, 2000, pursuant to County Code Section 9.74.030 (B).

3. Upon conclusion of the public hearing, consider adoption of the Resolution Amending the Boundary of Underground Utility District 17, Davenport Underground Utility District.

Yours truly,

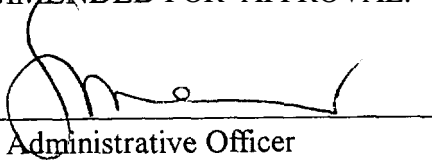

THOMAS L. BOLICH
