BOARD OF SUPERVISORS

County of Santa Cruz
701 Ocean Street
Santa Cruz, CA 95060

SUBJECT: Defer return with contract for the Greyhound Rock Restoration Project

Dear Members of the Board:

On August 22, 2000 your Board deleted the restroom building and immediate site work from the scope of work for the improvement project at Greyhound Rock which is currently out to bid. Your Board directed the Parks Department to return on this date with a contract with Restroom Facilities Corporation for the installation of the restroom and immediate site work for your approval.

The Parks Department has been in contact with the Restroom Facilities Corporation and is finalizing the terms of the contract for the installation of a prefabricated restroom at Greyhound Rock. There are still a few details which need to be clarified.

It is therefore RECOMMENDED that your Board defer this item and have the Parks Department return with the contract between Restroom Facilities Corporation and the County of Santa Cruz on or before October 17, 2000.

Sincerely,

Barry C. Samuel
Director
