FIVE YEAR IMPLEMENTATION PLAN

Dear Members of the Board:

Under the provisions of the Community Redevelopment Law, redevelopment agencies are required to adopt an implementation plan for each project area every five years. In November, 1994, your Board adopted the Implementation Plan for the Live Oak-Soquel Project Area; that plan was updated in June of 1997. In November of 1999 at the end of the original five years, a new Five Year Implementation Plan was adopted. At this time, it is necessary to review and update that plan to address financing related to Pavement Management Plan implementation and other minor changes.

It is therefore RECOMMENDED that your Board, as the Board of Directors for the Redevelopment Agency, set a public hearing for November 7, 2000, in the morning, for the purpose of reviewing the updated Redevelopment Implementation Plan for the Live Oak-Soquel Project Area, and direct the Clerk of the Board to publish notice of the hearing pursuant to Section 6063 of the Government Code and Section 33490(d) of the Health and Safety Code.

Very truly yours,

Tom Burns
