Subject: Family Support Transition

Dear Members of the Board;

During the recent Budget Hearings, your Board requested a report be prepared on the mandated changes in the child support program that will be implemented during the 2000-01 fiscal year. The State Department of Child Support Services, the newly created state agency that will administer the program, has sent counties additional information which defines the elements of the transition plan. As a result, we request an opportunity to review this material and submit the proposed transition plan along with the report to your Board at the October 3, 2000 meeting.

It is therefore RECOMMENDED that your Board defer the report on the changes in the family support structure and function to October 3, 2000.

Very truly yours,

SUSAN A. MAURIELLO
County Administrative Officer
