Community Television Equipment

Dear Members of the Board:

On June 19, 2000, your Board considered a request from Community Television of Santa Cruz County (CTSCC) for funds in the amount of \$37,636 to purchase a new phone/voice mail system and a new switching system. At that time, your Board directed this office to return in September with information on other funding sources for this equipment. This office is aware of potential sources for funding and continues to work with CTSCC to explore these possibilities. We would like to continue working with CTSCC to obtain funding for this equipment and report back to your Board in December on our progress.

IT IS THEREFORE RECOMMENDED THAT YOUR BOARD direct the County Administrative Officer to report back on December 12, 2000, with information on equipment funding sources for Community Television of Santa Cruz County.

Very truly yours,

Susan A. Mauriello
County Administrative Officer
