DEFER AWARD OF CONTRACT FOR NORTH COAST BEACHES PROJECT PHASE I, SCOTT CREEK BEACH, FEDERAL PROJECT NO. STPL- 5936(004) COUNTY PROPOSAL NUMBER 99C1-020

Dear Members of the Board:

On September 12, 2000 the bid opening for the North Coast Beaches Project Phase I, Scott Creek Beach was held. Two bids were received, Reber Construction Company, Inc. at \$506,293 and Granite Construction Company at \$588,588. The engineers estimate for the project was \$505,977. Your Board also directed the General Services and Parks Departments to return on or before September 26, 2000 with a recommendation of award of the contract.

The complex nature of this project requires associated contracts for a resident engineer, on-site archaeologist, and environmental consultant, all of which must be in place prior to the beginning of the project. The Parks Department is requesting additional time to secure these contracts and to ensure that adequate financing will be available prior to the award of the construction contract.

It is therefore RECOMMENDED that your Board defer the award of contract for the North Coast Beaches Project Phase I, Scott Creek Beach until October 24, 2000.

Very truly yours,

RECOMMENDED:
