SUBJECT: DEFERRAL OF REPORT BACK ON PLANNER I-IV, CODE
COMPLIANCE I-IV AND ENVIRONMENTAL HEALTH COMPENSATION

Dear Members of the Board:

As you are aware, your Board directed the Personnel Department to report back on the compensation of the Planner I-IV series, Code Compliance I-IV series and the Environmental Health series.

The Personnel Department and SEIU Local 415 have had two meetings with the Planners to discuss the draft compensation surveys. However, meetings still need to occur with the Code Compliance and Environmental Health representatives. These meetings are important to ensure maximum input by the Union in this process.

Therefore, it is RECOMMENDED that your Board approve deferral of the report back on compensation issues related to the Planner I-IV series, Code Compliance I-IV series and Environmental Health series to October 17, 2000.

Very truly yours,

Dania Torres Wong
Personnel Director
