Subject: Report on Risk Management Charges and Accounting to Departments

Dear Members of the Board;

During the recent Budget Hearings, your Board requested a report be prepared on the Risk Management charges and accounting to departments. Since this is a complex fiscal matter, the Auditor-Controller will prepare the report to your Board and will need additional time.

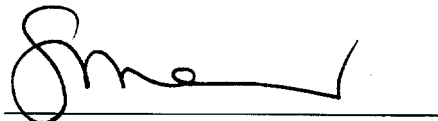

It is therefore RECOMMENDED that your Board defer the report on the Risk Management charges and accounting to departments until November 7, 2000.

Very truly yours,

Dania Torres Wong
Personnel Director
