EXTENSION OF CONTRACT WITH FEHR & PEERS ASSOCIATES, INC. FOR EMELINE CAMPUS TRAFFIC IMPROVEMENTS

Dear Members of the Board:

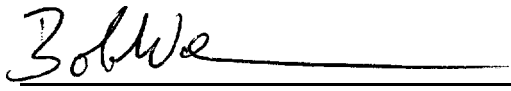

As your Board is aware, the traffic consulting firm of Fehr & Peers Associates has been working with the Emeline Campus Committee to develop project recommendations for improving the traffic and pedestrian circulation at the Emeline Campus. The firm has presented two preliminary draft recommendation packages to the Committee and is currently incorporating that group's comments into a final draft report. The final report will be used to develop a multi-year list of projects that can be implemented at the Campus, contingent on available financing through the budget process.

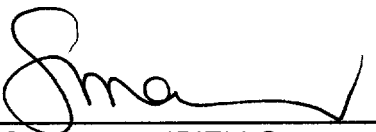

In order to allow sufficient time for adequate review of the project recommendations and the development of project priorities and cost estimates, we are recommending that the agreement with Fehr & Peers Associates be extended to June 30, 2001. All other terms of the agreement remain the same.

It is therefore RECOMMENDED that your Board approve the attached contract amendment (Contract No. CO02039) with Fehr & Peers Associates for Emeline Campus traffic improvements extending the ending date to June 30, 2001.

Sincerely,

RECOMMENDED:
