**AGENDA: NOVEMBER 7, 2000**

OCTOBER 25, 2000

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street

Santa Cruz, California 95060

**SUBJECT: 30TH, 32ND, AND 33RD AVENUE STORM DRAIN, SANITARY SEWER, AND  
SIDEWALK IMPROVEMENTS**

Members of the Board:

On September 12, 2000 your Board approved the deferral of construction on the subject project until April, 2001 and directed the Department of Public Works to report back to the Board on today's agenda with a report on the status of the appeals of the project to the Coastal Commission.

County staff has continued to work with Coastal Commission staff on the issues related to the Commission's appeal, and were able to resolve several of these issues. However, because of the additional delays caused by this process, the appeals will not be heard until the Commission's December meeting.

It is therefore recommended that the Board of Supervisors accept and file this report on the 30th, 32nd, and 33rd Avenue Storm Drain, Sanitary Sewer, and Sidewalk Improvement Project, and direct Public Works to return to the Board with a further report regarding the appeals of the project to the Coastal Commission on or before December 12, 2000.

Yours truly,

THOMAS L. BOLICH  
Director of Public Works
