Dear Members of the Board:

At its October 5, 2000 meeting, the Santa Cruz County Regional Transportation Commission amended its FY 00-01 Budget and Work Program and approved a plan to implement two new projects. The first project, the Highway 1 HOT Lanes Feasibility Study, is funded by a grant from the Federal Highway Administration matched by Commission funds. The second project, the One Day in Five Campaign, is funded by federal Congestion Mitigation and Air Quality (CMAQ) funds. The authorized implementation plan for these projects includes the addition of a full-time Transportation Planner position for two years.
