Mardi Wormhoudt, Chairperson
Santa Cruz County Board of Supervisors
701 Ocean Street
Santa Cruz, CA 95060

Dear Chairperson Wormhoudt:

It is that time again in which the Santa Cruz County Board of Supervisors needs to appoint one member to the Pajaro Valley Water Management Agency Board of Directors. The legislation that governs the agency states that the appointment may be made from a list of persons submitted by the county Farm Bureau.

Our organization submits, for your consideration, the names of the following three individuals:

Jim Rider
Apples/Flowers
724-7285

Frank Capurro
Vegetables
728-3904

Fritz Koontz
Strawberries
763-4400

Each of these persons has the necessary qualifications as required by legislation. They derive at least 51% of their net income from the production of agricultural products and each person is a voting resident within the Santa Cruz County's area of the agency's jurisdiction. You will need to contact these individuals to determine their interest in serving.

If we can be of further assistance to you in this process, please do not hesitate to call upon us.

Sincerely,

Michael L. Theriot

To: Santa Cruz County Board of Supervisors-Directors of the Santa Cruz Farm Bureau

Ladies and Gentlemen:

I am writing this letter to express my willingness and desire to serve another term as your appointed representative to the board of directors of the Pajaro Valley Water Management Agency.

For the past two years the P.V.W.M.A. board has been working together towards finding a solution to our basins overdraft problems. This is quite different from the previous two years where meetings and workshops were more likely to be shouting matches rather than productive working meetings. The current board is moving in the right direction and despite what some people choose to believe; much has been accomplished over the past two years.

Soon there will be some new faces on the board. Should you feel that I have not preformed up to your expectations and wish to remove me from the board I would hope that your appointment will be a person without agendas, that is familiar with the issues and that can be opened minded and work with the board and staff to continue to move forward and ultimately bring our basin back into balance.

If you have any questions or would like to discuss this matter I would be happy to meet with you.

Sincerely,

Frank W. Capurro
