### BOARD OF SUPERVISORS

### RE: Environmental Cleanup Fund

During June Budget hearings, your Board approved establishment of an environmental cleanup fund and directed staff to return on October 24, 2000 with a report on fund guidelines and implementation. The report was subsequently deferred until November 21, 2000. Much of the necessary staff work has been done but more review and internal discussion regarding implementation is required.

It is RECOMMENDED that your Board defer a report on implementation of an environmental cleanup fund until December 12, 2000.

Sincerely,
