SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
 701 Ocean Street  
 Santa Cruz, California 95060

SUBJECT: BROWNS VALLEY ROAD BRIDGE REPLACEMENT PROJECT -  
 RECOMMENDATION TO NOT PURSUE EMINENT DOMAIN PROCEEDINGS  
 AGAINST THE CITY OF WATSONVILLE - APN: 107-211-10

Members of the Board:

On November 14, 2000, your Board considered adoption of a resolution to begin eminent domain proceedings against the City of Watsonville to acquire an easement needed to construct the above mentioned project. This decision was postponed one week to allow the City time to approve the granting of the easement to the County. The City Council of the City of Watsonville has now passed a resolution authorizing said granting of the easement to the County. City staff has indicated that they will deliver the necessary documents to the County within the next week. Since an easement by eminent domain is no longer necessary, there is no need for further Board action.

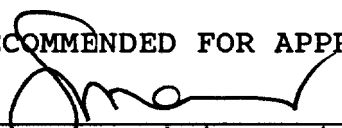

It is therefore recommended that your Board accept and file this report on eminent domain proceedings for the Browns Valley Road Bridge Replacement Project.

Yours truly,

Thomas L. Bolich  
 Director of Public Works
