To: Santa Cruz County Board of Supervisors-Directors of the Santa Cruz Farm Bureau

Ladies and Gentlemen:

I am writing this letter to express my willingness and desire to serve another term as your appointed representative to the board of directors of the Pajaro Vailey Water Management Agency.

For the past two years the P.V.W.M.A. board has been working together towards finding a solution to our basins overdraft problems. This is quite different from the previous two years where meetings and workshops were more likely to be shouting matches rather than productive working meetings. The current board is moving in the right direction and despite what some people choose to believe; much has been accomplished over the past two years.

Soon there will be some new faces on the board. Should you feel that I have not preformed up to your expectations and wish to remove me from the board I would hope that your appointment will be a person without agendas, that is familiar with the issues and that can be opened minded and work with the board and staff to continue to move forward and ultimately bring our basin back into balance.

If you have any questions or would like to discuss this matter I would be happy to meet with you.

Sincerely,

Frank W. Capurro

Dear Chairperson Wormhoudt:

It is that time again in which the **Santa** Cruz County Board of Supervisors needs to appoint one member to the Pajaro Valley Water Management Agency Board of Directors. The legislation that governs the agency states that the appointment may be made from a list of persons submitted by the county Farm Bureau.

Our organization submits, for your consideration, the names of the following three individuals:

Jim Rider
 Apples/Flowers
 724-7285

Frank Capurro
 Vegetables
 728-3904

Fritz Koontz
 Strawberries
 763-4400

Each of these persons has the necessary qualifications as required by legislation. They derive at least 51% of their net income from the production of agricultural products and each person is a voting resident within the Santa Cruz County's area of the agency's jurisdiction. You will need to contact these individuals to determine their interest in serving.

If we can be of further assistance to you in this process, please do not hesitate to call upon us.

Sincerely,

Michael L. Theriot

Dear Supervisors;

Pajaro Valley Citizens for a Long-Term Water Solution would like to voice their support for the re-appointment of Frank Capurro to the Pajaro Valley Water Management Agency Board of Directors. Frank has served the community well during his past term on the Agency Board. He supports developing and implementing a project, or projects, that will provide a solution to the Pajaro Valley's water problems and one that will meet the community's long-term water needs. He is an asset to the Agency Board and to the community.

Sincerely,

Nancy Isakson
Consultant for Pajaro Valley Citizens
