Re: Brief Statement Indicating Interest in the Santa Cruz County Workforce
Investment Board

Dear Friends:

I am interested in joining the Workforce Investment Board in Santa Cruz County because I feel that as a local and area representative, I have a vested interest in maintaining the economic health and vitality of Santa Cruz County. I believe in community comity and collaboration on all levels, and as a Pacific Gas and Electric Company area representative, I will be able to provide my years of work and educational experience in expanding the resources available to the participants we are reaching out to.

I feel I am qualified for this appointment because I am a Monterey County native and graduate of the University of California at Santa Cruz. As a result of this, I have a strong working knowledge of most of the important issues which impact California residents and residents at the local level. I am committed to the empowerment of the local population and to the increase of employment and earnings of participants and to improve the quality of the workforce and enhance the standard of life for all of our participants.

Sincerely,

Eddie Marquez
