Community Television Equipment

Dear Members of the Board:

During the 2000/01 budget hearings, your Board considered a request from Community Television of Santa Cruz County (CTSCC) for funds in the amount of \$37,636 to purchase a new phone system and a new switching system. This office was directed to work with CTSCC to explore other potential funding sources. CTSCC now believes that funding for this equipment will become available from the cable industry in the near future and that County funding is no longer needed. This office concurs with CTSCC's evaluation of the situation and recommends no further action.

IT IS THEREFORE RECOMMENDED THAT YOUR BOARD accept and file this report on the request of Community Television for supplemental funding.

Very truly yours,

Susan A. Mauriello
County Administrative Officer
