RE: SPEED BUMPS ON MACIEL AVENUE

Dear Members of the Board:

My office has received repeated calls regarding speeding and cut-through traffic on Maciel Avenue. Maciel Avenue is a collector road which could be a reason not to install road bumps. However, the traffic problems on this road are ones that we do often utilize road bumps to mitigate.

Therefore, I am recommending that the Board of Supervisors take action to allow road bumps on Maciel Avenue. This would provide the Public Works Department with the authorization that they need to proceed with the road bump procedure on this road.

Sincerely,

  
JANET K. BEAUTZ, Supervisor  
First District
