THOMAS L. BOLICH  
DIRECTOR OF PUBLIC WORKS

**AGENDA: DECEMBER 12, 2000**

NOVEMBER 30, 2000

SANTA CRUZ COUNTY BOARD OF SUPERVISORS  
701 Ocean Street  
Santa Cruz, California 95060

**SUBJECT: 30TH, 32ND, AND 33RD AVENUE STORM DRAIN, SANITARY SEWER, AND  
SIDEWALK IMPROVEMENTS**

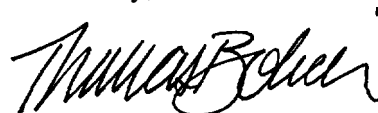

Members of the Board:

On November 7, 2000 your Board accepted a report on the subject project and directed the Department of Public Works to report back to the Board on today's agenda with a report on the status of the appeals of the project to the Coastal Commission.

County staff has continued to work with Coastal Commission staff on the issues related to the Commission's appeal, and we were able to resolve several, but not all, of the issues. Because of the lack of resolution and unavailability of Commission staff to complete their staff report for the Commission hearing, the appeals will not be heard until the Commission's January, 2001 meeting.

It is therefore recommended that the Board of Supervisors accept and file this report on the 30th, 32nd, and 33rd Avenue Storm Drain, Sanitary Sewer, and Sidewalk Improvement Project, and direct Public Works to return to the Board with a further report regarding the appeals of the project to the Coastal Commission on or before February 6, 2001.

Yours truly,

THOMAS L. BOLICH  
Director of Public Works
