REQUEST TO ADVERTISE JUVENILE HALL DOOR REPLACEMENT PROJECT #OOCI-009

Members of the Board:

As part of the 1999/2000 Plant Budget, your Board allocated funds to provide for various improvements at the Juvenile Hall. One of the component projects was the replacement of individual housing room doors for security and safety reasons. Plans and specifications for a licensed contractor to replace, furnish, and install twenty (20) steel doors with metal frames, security glazing and appropriate hardware at the Juvenile Hall facility have been prepared by the Department of General Services and William Fisher Architecture, Inc. These items and associated documents related to the project must be approved by your Board prior to solicitation of written proposals. Funds are available in Budget Index 191 100/Q26003, Sub-Object 6610. The cost of the project is estimated to be \$80,000.

It is therefore RECOMMENDED that your Board take the following actions:

1. Approve plans and specifications on file with the Clerk of the Board for the Juvenile Hall Door Replacement Project;
2. Direct the General Services Department to advertise for bids; and
3. Set the bid opening for 10:45 a.m. on December 12, 2000.

Very truly yours,

RECOMMENDED:
