Defer Report on Community Services and Facility Issues

Dear Members of the Board:

During 2000/01 Budget Hearings, your Board discussed the facility needs of County funded non-profit organizations and requested a report back on this issue with recommendations to begin to address identified needs. On December 12, 2000 your Board again considered this matter and directed staff to provide a follow up report on January 9, 2001. The CAO's Office is finalizing this report and intends to present a complete report to your Board on January 23, 2001.

It is therefore **RECOMMENDED** that your Board defer this report until January 23, 2001.

Very truly yours,

SUSAN A. MAURIELLO
County Administrative Officer
