DEFERRAL OF REPORT ON COMMUNITY PROGRAMS TECHNOLOGY ENHANCEMENT

Dear Members of the Board:

On December 12, 2000 following consideration and approval of a contract for Community Programs technology enhancements, your Board requested a report back on the proposed distribution of the technological items purchased with the contract funds, by January 23, 2001. In late December the contractor, HandsNet, completed its Technology Infrastructure Assessment survey of community programs, and is currently analyzing this information to determine the technology/software needs of individual agencies. This analysis will be completed by mid-February, at which time a comprehensive equipment distribution list will be available.

IT IS THEREFORE RECOMMENDED that your Board defer the report on the Community Programs Technology Enhancement project to your February 27, 2001 meeting.

Very truly yours,

CECILIA ESPINOLA
Administrator
