SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: SOQUEL DRIVE ROADSIDE IMPROVEMENT PROJECT
AMENDMENT TO AGREEMENT

Members of the Board:

On January 11, 2000, your Board approved an agreement with Bowman and Williams Consulting Civil Engineers for design work for the Soquel Drive Roadside Improvement Project in the amount of \$13,200. The Soquel Drive Roadside Improvement Project will provide for pedestrian and some minor landscaping improvements on the south side of Soquel Drive between the east end of Cabrillo College to the Mar Vista Drive intersection. This project will greatly improve pedestrian access along Soquel Drive, including school children access to the Mar Vista Elementary School. Additional work by the consultant is now needed, as it was determined that minor topography changes had occurred since the original survey in 1992 due to private developments and public improvement projects. Also, it is necessary to further delineate landscaping and irrigation improvements to ensure contractor responsibility during construction of the project.

Attached for your Board's review and approval is an amendment to the agreement between the County and Bowman and Williams Consulting Civil Engineers providing for the increased scope of work at an additional not-to-exceed cost of \$12,800. This brings their contract to a total not-to-exceed cost of \$26,000. Funding for this proposed increase is available through the Aptos Roadside Improvement Funds already budgeted for this project. The amendment will also extend the term of the agreement to December 20, 2001.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the attached amendment to agreement between the County of Santa Cruz and Bowman and Williams Consulting Civil Engineers.

2. Authorize the Director of Public Works to sign the agreement on behalf of the County.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
