Deferral of Energy Assistance Report until February 13, 2001

Dear Members of the Board:

On January 9, 2001, your Board received letters from Supervisor Pirie and Supervisor Wormhoudt concerning the impact of increased utility costs on County residents. At that time, your Board directed the County Administrative Office to report back on a number of related matters, including a review of various programs and strategies which would provide for energy assistance to low income households.

This report, which is being prepared with the assistance of the Community Action Board (CAB) and various County departments, is being finalized this week and we are requesting a one week deferral to February 13, 2001 to complete this work.

It is therefore **RECOMMENDED** that your Board defer the report on various energy related matters to February 13, 2001.

Very truly yours,

SUSAN A. MAURIELLO
County Administrative Officer
