Santa Cruz, CA 95060

**AGENDA:** February 6, 2001

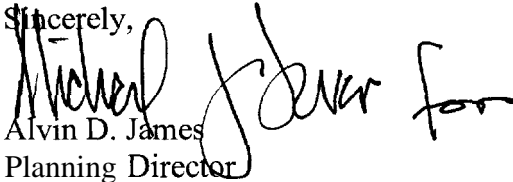

**SUBJECT:** SOUTH COUNTY PERMIT CENTER STATUS REPORT

Members of the Board:

On October 17, 2000, your Board directed that we return on today's agenda with a report on the status of our efforts to establish the Aptos Permit Center. We are pleased to be able to report that a suitable site has been located and a lease negotiated. Lease documents are in the process of being finalized and will be presented for your Board's consideration on your February 13, 2001 agenda. We will include a more detailed discussion of implementation timelines and operating plans at that time.

It is, therefore, **RECOMMENDED**, that your Board accept and file this report and direct the Planning Director to provide a further report on your February 13, 2001 agenda.

Sincerely,

  
Alvin D. James  
Planning Director
