Santa Cruz, California 95060

SUBJECT: RESOLUTION CERTIFYING COUNTY MAINTAINED ROAD MILEAGE

Members of the Board:

A resolution certifying the total mileage of County maintained roads as of May 1, 2000, has been prepared for adoption by the Board of Supervisors. As defined in Section 2121 of the California Streets and Highways Code, this resolution is required as part of an annual report and is to be submitted each year to the State Controller through the State Department of Transportation. Our previous State certified maintained mileage total is 600.09.

There has been an increase of 0.73 miles to the County Maintained Road System as of May 1, 2000 due to various subdivision and/or road improvements (see Exhibit "A" list). This brings the current maintained mileage total to 600.82.

It is recommended that the Board of Supervisors take the following action:

1. Adopt the attached resolution certifying the County maintained road mileage.
2. Direct the Clerk of the Board to return three certified copies of the resolution to the Department of Public Works.

Yours truly,

THOMAS L. BOLICH

Director of Public Works
