SUBJECT: Deferral on Report Back on Adult Day Health Care Facility in South County

Dear Members of the Board:

On January 23, 2001, your Board directed County Personnel to work with the Health Services Agency to implement an Adult Day Health Care Facility in South County. Health Services staff is still reviewing the various issues regarding the implementation, which are still under consideration, and additional time is needed.

It is therefore, RECOMMENDED that your Board defer the report back on the Adult Day Health Care Facility in South County proposal to the March 13, 2001 meeting.

Sincerely,
