DEFER REPORT ON MEDICAL LEADERSHIP OF PSYCHIATRIC SERVICES IN THE MENTAL HEALTH DIVISION

Dear Members of the Board:

On November 14th, your Board directed County Personnel to work with the Health Services Agency to review the issue of medical leadership of psychiatric services and determine if personnel changes were needed which was later deferred to February 27, 2001. Any recommendation of this issue has an impact on Executive Management compensation. Therefore, staff recommends deferral of this item until after Executive Management compensation is completed.

It is therefore RECOMMENDED that your Board:

1. Approve the deferral of the report on the medical leadership of psychiatric services in the Mental Health Division of the Health Services Agency until after Executive Management compensation is completed.

Very truly yours,

Rama Khalsa, Ph.D.
Health services Administrator
