THOMAS L. BOLICH
DIRECTOR OF PUBLIC WORKS

AGENDA: FEBRUARY 27, 2001
February 14, 2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

**SUBJECT: GRAHAM HILL ROAD IMPROVEMENT PROJECT, ROARING CAMP TO 0.64
MILES SOUTH - DESIGN SERVICES BY CONSULTANT**

Members of the Board:

On December 12, 2000, your Board directed Public Works to return on February 27, 2001, with a contract with Sandis Humber Jones of Salinas for engineering consultant services for the subject project. At this time, a mandatory audit of the contract services has not been fully completed by CALTRANS and the Public Works Department is therefore requesting a delay in finalizing the contract with the engineering consultant. We propose to return to your Board on or before March 27, 2001, with a final negotiated contract. It is important to note that Sandis Humber Jones was selected because their design team and sub-consultants expressed a strong desire to work with the public, your Board, and the Public Works Department to develop a community consensus on the design of these critical improvements.

It is therefore recommended that the Board of Supervisors direct Public Works to return to the Board on or before March 27, 2001, with a contract agreement with Sandis Humber Jones for the subject project.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
