SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: LIVE OAK PARKING PROGRAM

Members of the Board:

The Live Oak Parking Program (LOPP) completed its twentieth summer of operation on September 4, 2000. The 2000 program activity is detailed in Attachment 1. It is recommended that the County continue with a 2001 Parking Program essentially the same as the 2000 program. This year's term, which your Board directed to include Easter vacation, would run from April 7 through September 3, 2001, during the hours of 11:00 a.m. to 5:00 p.m. on Saturdays, Sundays, and holidays. Two additional refuse carts were also placed in the program area as directed by your Board. Zone boundaries are shown on the attached map (Attachment 2), and are designated on the Resolution Establishing the Live Oak Permit Parking Zone for 2001. The cost for permits will remain unchanged from 2000.

Staff consists of a program manager and the temporary positions of a clerk and five enforcement officers. Total revenue received from citations and permits during the 2000 program came to \$186,329. The approved budget including the citation revenue collection service contract for 2000/2001 is \$147,000. Costs for the final two months of the 2001 program will be included in the 2001/2002 fiscal year budget request which will be considered by your Board in June 2001.

County Code relating to the Live Oak Parking Program prescribes that the parking zone, fees and term of the program are all set by resolution. These resolutions are attached for your Board's action.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the attached 2000 Live Oak Parking Program Report and Recommendations.
2. Direct the Public Works Department to initiate the 2001 Live Oak Parking Program.
3. Adopt the attached Resolutions to implement the 2001 Live Oak Parking Program.

Yours truly,

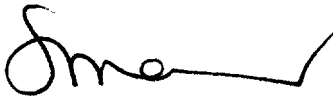

THOMAS L. BOLICH
Director of Public Works

2000 LIVE OAK PARKING PROGRAM
Summary Report

The 2000 Live Oak Parking Program again met the goals of reducing traffic congestion in beach neighborhoods and this was the twentieth year of permit operations.

~~The~~ boundaries of the 2000 program reflected the addition of Thirty-sixth Avenue from East Cliff Drive to Floral Drive and Floral Drive ~~from~~ Thirty-eighth Avenue to Thirty-fifth Avenue.

~~The~~ 2000 Program began April 15, 2000, and ended September 4, 2000. The recommended term for 2001 is from April 7, 2001, through September 3, 2001 (Labor Day).

Revenue: Citations for the 1999/00 fiscal year generated \$121,535 .00 (\$109,566.50 1998/99). Permit revenue from April to September 2000 totaled \$64,794.00 (\$54,862.00 in 1999). The breakdown is: 5,643 Day Permits (1999: 5,143), 1182 Annual Visitor Permits (1999: 868); 1,449 Guest Permits (1999: 1,402); and 409 Annual Resident Permits (1999: 398). There was no change in price for permits in 2000 from those of 1999. It is recommended that the cost for permits remain unchanged in 2001 from those of 2000.

Staff. For 2001 it is recommended that staff count remain the same as in 2000. The 2000 **staff consisted** of a full time program manager, five temporary enforcement officers and one clerical position, which is normally phased out in August when most of the permit application processing is completed.

Cost of Program: The program cost for fiscal year 1999/00 was \$139,161 .00, which included the salaries of all staff members, citation maintenance contractor, hearing officer, printing materials for the following season, installing and removing of all LOPP sign posts, vehicle maintenance, and miscellaneous program purchases.
