### **Report on potential community facility project in the South County area**

Dear Members of the Board:

On January 23, 2001, your Board directed the CAO and Real Property to explore possible sites in the South County area for the purpose of accommodating County funded non-profit organizations and return to you Board on today's agenda with a further status report on this project.

Over the past few weeks, Real Property has reviewed the available properties in the South County area. In addition, Real Property, the CAO and HRA have conducted a field survey in an effort to identify potentially suitable sites.

Real Property is currently evaluating various sites and seeks additional time to more fully review and evaluate the possible options under consideration. It is therefore **RECOMMENDED** that your Board take the following action:

1. Accept and file this report; and
2. Direct Real Property and the CAO to return to your Board with a follow up status report when additional information is available.

Truly yours,

SUSAN A. MAURIELLO  
County Administrative Officer
