AGENDA: MARCH 6, 2001

SUBJECT: AMENDMENT TO TITLE 12 OF THE COUNTY CODE

Members of the Board:

On February 6, 2001 your Board directed the Planning Department to work with the Commission on disabilities to prepare an amendment to Title 12 of the County Code specifically addressing the County's commitment to enforcement of accessibility and to present the ordinance language on today's agenda.

The Commission on Disabilities is currently considering language proposed by Planning Department staff and has requested that this item be continued until after the Commission has had an opportunity to discuss the matter at their next meeting on March 9, 2001.

It is, therefore, RECOMMENDED, that your Board defer consideration of the item to your meeting of March 27, 2001.

Sincerely,

Alvin D. James
Planning Director
