DEFER PROGRESS REPORT ON WATER RESOURCES MANAGEMENT

Members of the Board:

On November 14, 2000 your Board accepted a status report on water resources management and directed staff to provide a comprehensive progress report on March 6, 2001. Water resource staff is actively engaged in following up on several issues and has not yet assembled the pertinent information into report format. Staff therefore RECOMMENDS deferring the progress report on water resources management until March 27, 2001.

Sincerely,

ALVIN D. JAMES
 Planning Director
