SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: MATTISON LANE (SOUTH OF SOQUEL DRIVE), ROAD BUMPS

Members of the Board:

The residents of Mattison Lane, south of Soquel Drive have submitted an application along with a petition of affirmation signed by 75.3 percent of the total points calculated by the Department of Public Works for the installation of four road bumps as shown on the Mattison Lane road bump affected area map (attached). Bus service is not provided on Mattison Lane by the local school district; therefore, a letter from the local school district stating its position regarding road bumps is not required. The Central Fire Protection District policy on road bumps states "It is not this Department's policy or standard to promote the installation of speed bumps that would encroach upon any alley, lane or street utilized by the Central Fire Protection District."

The residents of Mattison Lane have complied with all the provisions of the Policy, and the street meets all the eligibility requirements for placement of road bumps. The Policy requires approval by the Board of Supervisors prior to the placement of the bumps. The residents will be required to pay \$4,000, which is one-half the cost of the installation of the new bumps.

It is therefore recommended that the Board of Supervisors adopt the attached resolution authorizing the placement of road bumps on Mattison Lane south of Soquel Drive.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
