Dear Ellen Pirie,

Thank you for speaking with me on the phone. I am interested in an appointment to the Women's Commission. I work with the local community here as a counselor and minister. As I mentioned on the phone I have been working with women and girls my entire adult life, as a counselor, teacher and minister. I am the Executive Director of Prometheus Family Support, a non profit agency, dedicated to enriching and educating youth and their families. Currently I am developing a Leadership Training Program for young women at risk. The Women's Commission is also interested in developing leadership for women as one focus for the Commission this year. I have not served on a commission before, however, I have been a leader in my community concerning women's issues for thirteen years.

I look forward to meeting with you to discuss your areas of interests, and what we can do together to serve the women of the second district. My education and experience of the past twenty years reflects my commitment to women. i am the mother of a seven year old girl and care deeply about how girls come to know themselves. This image can not be left up to the media, we need to mentor and guide our young girls and our elders need to give of their wisdom. I have the time now to serve and would like the opportunity to eontribute to my community. If you would like more information about me you can call Andrea Smith, the Commission's Coordinator at 4542772. Thank you for your time.

Sincerely,

Evelyn Hail
