Defer Consideration of Motorized Bicycle and Scooter Regulation

Dear Members of the Board:

On February 13, 2001, your Board considered final adoption of an ordinance pertaining to the operation of motorized bicycles and scooters on bikeways within the unincorporated areas of the County. Your Board continued its consideration of the final adoption of that ordinance and directed staff to return with a report clarifying issues related to pollution and noise emissions from gas scooters and the use of unlicensed motorized scooters and bicycles in roadways with or without bike lanes. Staff requires additional time to finalize its report on these issues.

IT IS THEREFORE RECOMMENDED that your Board defer consideration of an ordinance related to motorized bicycle and scooter regulation and the related report until April 17, 2001.

Very truly yours,

Susan A. Mauriello
