SURPLUS PROPERTY REQUEST

Dear Members of the Board:

Pursuant to Section 2.37.040 of the County Code, the General Services Department is recommending that the items listed on Exhibit A be declared surplus property. These motor vehicles and equipment items have been released as either surplus to department needs, obsolete or unusable. The property listed is not re-assignable to other County departments because of age or physical condition. The vehicles are all in poor condition and have either high mileage, extensive service history, and/or prior damage.

Pursuant to prior Board direction, the General Services Department will be reporting back to your Board on April 17, 2001 regarding the possibility of making appropriate surplus vehicles available to non-profit agencies who may have need of them. The vehicles on Exhibit A have been determined to be unsuitable for use by local non-profits.

It is therefore RECOMMENDED that your Board declare these items to be surplus to County needs and direct the Director of General Services (Purchasing Agent) to arrange for their disposition.

Very truly yours,

BOB WATSON
Director
