Dear Ms. Pirie,

I have just learned of an open seat on the Santa Cruz County Water Commission. I am extremely interested in this work, and I hope that you will consider my application.

For over twenty years I have been active in land and resource issues. I am currently a member of the Sierra Club Water Resource Committee. As I am sure you know, this committee is a coalition of numerous community and environmental organizations. We have called to attention many critical problems with our local water, and have offered solutions that local agencies have adopted.

I believe water to be our most vital resource. Our health, our environment and our economy depend on how we use or abuse it. I would be honored to participate in the efforts of this county to protect this precious resource.

Sincerely,

Cherie L. Bobbe
