AGENDA: MARCH 27, 2001

March 15, 2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: 2000/2001 PAVEMENT MANAGEMENT OVERLAY PROJECT

Members of the Board:

The specifications and engineer's estimate for the 2000/2001 Pavement Management Overlay Project are complete and presented here for your Board's consideration and approval. The project will provide for the resurfacing of approximately 16 miles of County roads. The list of the proposed roadways in this year's program is attached. In this first year of the County's Pavement Management Program, which in addition to overlays also includes the slurry seal contract and the seal coat (chip seal) program, we expect to resurface more than 60 miles (10 percent) of our 600 mile road network. In order to keep the public apprised of road improvements scheduled in their area, we will be bringing a proposal back to your Board in May to facilitate this process.

The engineer's estimate for this project is \$6,750,000.00, not including contingencies and administration. Sufficient funds are available in the 2000/2001 Pavement Management Program to cover this expenditure.

It is therefore recommended that the Board of Supervisors take the following action:

1. Approve the specifications and engineer's estimate and authorize calling for bids for the 2000/2001 Pavement Management Overlay Project.
2. Set the bid opening for 10:45 a.m. on May 1, 2001.

3. Direct the Clerk of the Board to advertise a Notice to Contractors for a ten-day period beginning April 1, 2001, in accordance with provisions of the Public Contract Code Section 20392.

Yours truly,

THOMAS L. BOLICH
Director of Public Works

County Administrative Officer

copy to: Public Works Department

COUNTY OF SANTA CRUZ DEPARTMENT OF PUBLIC WORKS
NOTICE TO CONTRACTORS

Sealed proposals shall be delivered to the Director of Public Works of Santa Cruz County, Room 410, Governmental Center, no later than **10:30 a.m., MAY 1, 2001** and at 10:45 a.m. or soon after, they will be publicly opened and read, in the Supervisors' Hearing Room, 701 Ocean Street, Santa Cruz, California, for construction on various county roads in accordance with the specifications therefor, to which special reference is made, as follows:

**2000/2001 PAVEMENT MANAGEMENT
OVERLAY PROJECT**

The work to be done consists, in general, of resurfacing sections of various County roads through digouts of failed pavement, grinding of asphalt pavement, crack sealing, placement of an asphalt concrete leveling course, reinforcing fabric or reinforcing mesh, placing an asphalt concrete overlay, dike and drainage swales, traffic striping, markings and markers, and adjusting utility manhole frames and covers.

Plans, specifications, and proposal forms for bidding this project can only be obtained at the office of the Director of Public Works, room 410, 701 Ocean Street, Santa Cruz, California. No deposit is required. The successful bidder shall furnish a payment bond and a performance bond. The contractor shall possess a Class A license at the time this contract is awarded.

The Department of Public Works hereby notifies all bidders that it will affirmatively insure that in any contract entered into pursuant to this advertisement, minority business enterprises will be afforded full opportunity to submit bids and will not be discriminated against on the grounds of race, color or national origin in consideration for an award. Pursuant to Section 1773 of the Labor Code, the general prevailing rate of wages in the District has been determined by the Director of the Department of Industrial Relations, and such prevailing rate of wages is listed in the State of California, Business and Transportation Agency, Department of Transportation publication entitled General Prevailing Wage Rates, current edition, on file in the office of the Director of Public Works.
