AGENDA: APRIL 17, 2001

April 5, 2001

SANTA CRUZ COUNTY BOARD OF SUPERVISORS
701 Ocean Street
Santa Cruz, California 95060

SUBJECT: WILDER RANCH BIKE PATH
FEDERAL PROJECT NO. CML-5936 (029)

Members of the Board:

On March 20, 2001, the Board of Supervisors received nine bids for the Wilder Ranch Bike Path Project. The engineer's estimate was \$637,385. The low bid was received by Santa Cruz Engineering Contractors, Inc., of Watsonville, California in the amount of \$577,573. All bids were checked and found to be in order.

This construction project had a Disadvantaged Business Enterprise (DBE) goal of 12 percent. While the low bidder was only able to achieve a 2.2 percent DBE participation, he has provided sufficient documentation indicating that a good faith effort was made requesting participation by qualified DBE subcontractors.

Funding for the construction of this project, including contingencies and administration, is available in the approved 2000/2001 Road Program using Transportation Enhancement Act federal funds, State of California Department of Transportation Minor A funds, State Transportation Enhancement Act funds, and Transportation Development Act funds. The federal portion of the project cost can be no more than 88.53 percent. The current federal participation rate is 35.98 percent.

It is therefore recommended that the Board of Supervisors take the following action:

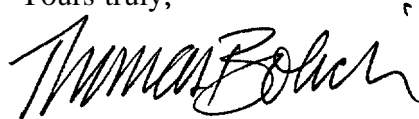

1. Accept the low bid of Santa Cruz Engineering Contractors, Inc. in the amount of \$577,573, and authorize award of the contract.
