Re: County Service Area 54 (Mt. Charlie)

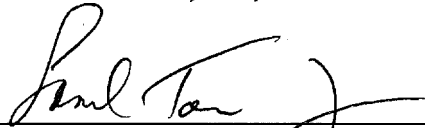

Dear Members of the Board:

On March 27, 2001, your Board deferred consideration of the transfer of the CSA 54 water system to Santa Cruz Mountains Summit West documents until April 24, 2001, in order to finalize the paperwork necessary for the transfer. The transfer requires review under the California Environmental Quality Act. A proposal was submitted to the Planning Department, Environmental Planning Section, on March 23, 2001. It is anticipated that this transfer will be determined to be an exempt project, however this decision will not be forthcoming for another thirty days.

IT IS THEREFORE RECOMMENDED that your Board defer consideration of all documents to effect the transfer of the CSA 54 water system to Santa Cruz Mountains Summit West, and direct County Counsel, the Auditor-Controller and the Public Works Department to return to your Board on or before May 22, 2001 with the executed Memorandum of Transfer and related documents for consideration.

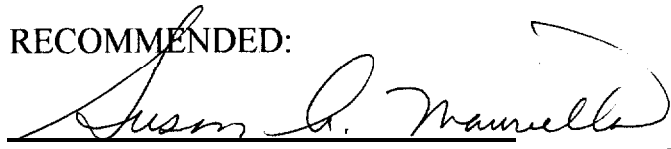

Very truly yours,

SAMUEL TORRES, JR., COUNTY COUNSEL
