Adopt Resolution Accepting Unanticipated Revenue

Dear Members of the Board:

Each year the Agricultural Commissioner's Office receives funding from the California Department of Food and Agriculture (CDFA) for a pest detection trapping program. For fiscal year 2000-2001, the state made a one-time augmentation of \$2,500 to our contract specifically designated for the purchase of equipment to aid in pest detection and prevention. We propose to use these funds to purchase two handheld global positioning system (GPS) units, and a replacement computer and printer for accessing the CDFA notice of rejection database program. None of the proposed items are fixed assets.

To receive and use this revenue, it is necessary for your Board to adopt a resolution accepting and appropriating the unanticipated revenue. A resolution showing our proposed use of these funds is attached for your consideration and approval.

It is therefore **RECOMMENDED** that your Board adopt the attached resolution accepting and appropriating \$2,500 into Agricultural Commissioner Budget Unit 103220 for the purchase of equipment to aid in pest detection and prevention.

Sincerely,

David W. Moeller by M. P. Ricchetti
