Subject: Application 98-0046
Mount Hermon Master Plan
Public Hearing 5/1/01

This letter is written to request that it be made part of the hearing record for the subject application by Mount Hermon Association for their master plan.

I am a property owner in Mount Hermon. I fully support the approval of their master plan as presented by them and request that you approve it. I do not think that this plan will have any adverse traffic or environmental affect. I find that all of the traffic backup is people trying to get into Felton not going up Conference Drive into Mount Hermon.

Again, I support the Mount Hermon Master Plan and urge your approval.

Subject:: May 1 Hearing on Application 98-0046, Mt. Hermon Master Plan

Dear Supervisors,

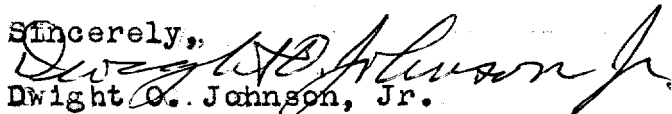

I am submitting this written testimony on behalf of myself and my three brothers. We are joint owners of property at 14 Redwood Circle, Felton that is within the Mt. Hermon Park. My brothers are Walter E., Earl A., and A. Charles EL. Johnson. It appears that none of- us will be able to attend the announced public hearing on the above Application.

Therefore, we hereby testify for t-he record that we strongly urge the Board of Supervisors to APPROVE the above Application by the Mt. Hermon Association..

We are all well aware of Mt. Hermon's long range plans. We are convinced that they, are in best interest of good ecology and land use,, and will enhance the services Mt. Hermon provides, In addition, we feel--that Mt. Hermon's continued provision of excellent services attracts visitors who contribute to Santa Cruz's tourist economy during their stay..

Thank you for your favorable attention to our request..

Sincerely,

Dwight O. Johnson, Jr.
