### CONTRACT EXTENSION AMENDMENT

Members of the Board:

General Services has an agreement for architectural and design services with Silva Strong Architects for the Juvenile Hall Remodel Project. Project activities were suspended pending a construction grant application submitted to the State Board of Corrections. However, staff were recently informed that the grant application was not successful and will be proceeding with the original project as approved previously by your Board. Given the delay, it is now necessary to extend the Silva Strong contract (CO92049) through June 30, 2002. This extension will then allow for construction administration phase services and facilitate continuity for this particular project. All other terms and conditions of this agreement will remain the same.

It is therefore RECOMMENDED that your Board approve the contract amendment with Silva Strong Architects (Contract # CO92049) extending the contracts ending date to June 30, 2002.

Sincerely,

BOB WATSON  
Director
