### DEFERRAL OF FARMWORKER HEALTH AND HOUSING SURVEY REPORT

Dear Members of the Board:

As you are aware, on October 3, 2000 your Board took action to participate in a regional Farmworker Health and Housing Survey and Needs Assessment, which had been initiated by the Monterey Community Action Agency. To coordinate Santa Cruz County participation in the study, your Board also approved a contract with the Community Action Board of Santa Cruz County, Inc. (CAB) to form a Committee charged with the oversight of the farmworker survey in the Santa Cruz County portion of the Pajaro Valley.

Staff is pleased to report that the Farmworker Survey and Needs Assessment Report is in the final review stage and nearing completion. As your Board may recall, the Oversight Committee had intended for the final report to be released and reviewed by the respective County Boards of Supervisors on or before May 8, 2001. Monterey County staff have indicated that June 5, 2001 is the preferred date to submit the report to its Board, and has asked Santa Cruz County staff to coordinate the presentation to your Board on the same date.

IT IS THEREFORE RECOMMENDED that your Board defer the final report on the Farmworker Health and Housing Survey and Needs Assessment to June 5, 2001.
