### SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street  
Santa Cruz, California 95060

**SUBJECT: CONSTRUCTION AND DEMOLITION MATERIAL  
RECYCLING OPERATIONS**

Members of the Board:

On February 27, 2001, your Board directed Public Works to return with a report on the landfill-based construction and demolition recovery system for the Buena Vista Landfill. The proposed equipment requirements and layout for this operation have been completed. However, the final equipment cost estimates and purchasing specifications are still under review by outside consultants. We anticipate completing this added work within the next three weeks.

It is therefore recommended that the Board of Supervisors defer consideration of this item to on or before June 12, 2001.

Yours truly,

THOMAS L. BOLICH  
Director of Public Works
