### BOARD OF DIRECTORS

Davenport County Sanitation District  
701 Ocean Street  
Santa Cruz, California 95060

**SUBJECT: PROPOSED ORDINANCE NO. 5.5 AMENDING  
WATER SERVICE CHARGES FOR 2001/2002**

### Members of the Board:

On March 13, 2001, your Board set today, May 8, 2001, at 10:45 a.m. as the date and time of the public hearing to consider the attached ordinance establishing the following changes to the water service charges for the Davenport County Sanitation District that will be effective as of July 1, 2001. The proposed rates represent a 7.9 percent overall increase, the first such increase in water service charges since 1996.

As noted earlier, this increase is necessary to meet projected operation maintenance and capital requirements of the Davenport water system. The amount of any further rate increases beyond 2001/2002 will be dependant on the size of grants received by the District for those improvements necessary to meet new drinking water standards.

Pursuant to Proposition 218 requirements, individual notices were mailed to all of the District's customers following your March 13, 2001, Board meeting, and notices of today's hearing were also published in the newspaper.
