**SCHEDULE A PUBLIC HEARING TO CONSIDER THE HISTORIC
 RESOURCE COMMISSION'S RECOMMENDATION REGARDING
 REVISIONS AND ADDITIONS TO THE COUNTY HISTORIC RESOURCES
 INVENTORY**

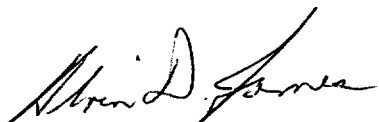

Members of the Board:

On May 24, 2000, the Historic Resources Commission (HRC) selected Dill Design Group to prepare an update of the County's Historic Resources Inventory (Inventory). On June 27, 2000, your Board authorized the expenditure of \$10,000.00 for the fiscal year 2000-2001 (July 1, 2000 – June 30, 2001) for the purpose of updating the Inventory. The HRC supplied Dill Design Group with Assessor's Parcel Numbers and/or addresses of 10 properties to be evaluated for potential inclusion on the Inventory and 25 properties currently on the Inventory to be evaluated for possible change in historical status rating. One property that was previously evaluated and recommended for inclusion on the Inventory but never taken to your Board, is also included.

On April 11 and May 9, 2001, the HRC considered these additions and revisions to the Inventory. The HRC approved a recommendation to your Board to add to the Inventory most of the currently unlisted properties that were evaluated by Dill Design Group and to change the historical rating of some of the properties already on the Inventory. To ensure that before the end of the fiscal year your Board can hear and act on the recommendation by the HRC and that the consultant will have enough time to make any changes that your Board may direct, a public hearing must be scheduled before your Board for June 12, 2001, to consider the recommendation of the HRC.

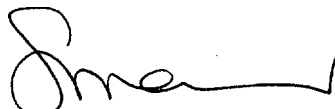

It is, therefore, RECOMMENDED that your Board 1) schedule a public hearing on this matter for your Board's meeting of June 12, 2001, to consider the recommendation of the Historic Resources Commission, and 2) direct the Clerk of the Board to provide the appropriate public notice of the hearing.

Sincerely,

Alvin D. James
Planning Director
