SEISMIC RETROFIT PROGRAM, NO. BRLOZB-5936 (052)

Members of the Board:

As directed by your Board on April 24, 2001, Public Works was to return on May 22, 2001, to award the subject seismic retrofit project. However, due to complications in interpreting the specific DBE goals, we request that your Board allow Public Works to defer the award of this project until June 5, 2001.

It is therefore recommended that the Board of Supervisors defer the award of the subject seismic retrofit project until June 5, 2001.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
