SANTA CRUZ COUNTY BOARD OF SUPERVISORS

701 Ocean Street
Santa Cruz, California 95060

SUBJECT: INCREASE IN THE RECORD OF SURVEY CHECKING FEE

Members of the Board:

One of the responsibilities of the County Surveyor is the review of Record of Survey maps prepared by surveyors and engineers in private practice prior to the maps being submitted to the County Recorder for recordation. This review is required by the California Business and Professions Code, and includes the execution of a County Surveyor's Statement that the map has been examined for conformance to the Code.

This service is funded by fees, currently set at a flat rate of \$250. The cost of providing this review is now exceeding this fee amount.

Staff has determined that the fee for reviewing Record of Survey maps should be increased to \$300 in order to cover our actual costs. This new fee has been included in the proposed Unified Fee Schedule.

It is therefore recommended that the Board of Supervisors consider adopting the attached ordinance in concept increasing the Record of Survey checking fee from \$250 to \$300, and place the ordinance on the next available agenda for final adoption.

Yours truly,

THOMAS L. BOLICH
Director of Public Works
